AMBASSADOR ZLATÁ HUSA: GATEWAY TO SUMMER EXPERIENCES IN THE CENTRE OF PRAGUE

Prague is one of the most beautiful European capitals and is rightly called the „city of a hundred spires“.

The historical centre is part of the UNESCO World Heritage Site and offers a fascinating combination of history, architecture, culture and modern city life at every step. Our Art Nouveau-inspired 5-star Ambassador Zlatá Husa hotel located right in the heart of the city on Wenceslas Square is the perfect starting point for summer exploration of all the beauties of the Czech metropolis .

Take a morning stroll to the Old Town Square with the legendary Prague Astronomical Clock. Continue across Charles Bridge to the Lesser Town and ascend to Prague Castle, from where an unforgettable vista of the entire city can be enjoyed.

TIPS

- As a culture lover, don't miss a performance at the **National Theatre or Estates Theatre**. In the Estates Theatre, be transported back in time to the period when W.A. Mozart was creating his masterpieces and immerse yourself in the sounds of his opera, Don Giovanni, which had its world premiere here in 1787.
- Head to the **Prague Zoo, Botanical Gardens** or take a boat trip on the Vltava River with your children. Your children's legs won't hurt and you'll see the city from a different perspective.

After a day of exploring, treat yourself to a well-deserved rest in the hotel garden and relish the **specialities of Czech cuisine, such as tenderloin in cream, beef roulade or golden-roasted quarter duck**. The perfect gastronomic experience also includes a wide range of Czech and foreign wines, refreshing mixed cocktails and, of course, the traditional Czech beer, Pilsner Urquell.
